EMOTION RECOGNITION

Let's learn more words to express our emotions and describe how we feel. Cut the cards along the dotted line, then pick one emotion card from the pile. Don't know the word? No problem, kids can check the facial expression examples and figure out which basic emotion group it belongs to. Invite the kids to use playdough to make the facial expression on their emotion card.

HAPPY	JOYFUL	LOVING	CONFIDENT
ANGRY	ANNOYED	MAD	FURIOUS
SAD	UPSET	HURT	LONELY
FEAR	SCARED	NERVOUS	WORRIED
SURPRISE	SHOCKED	CONFUSED	AMAZED
DISGUST	EMBARRASSED	AWFUL	DISSAPOINTED
