Sunny 和她的寶寶 x1

1x flag set

旗子 x1

1x marker

馬克筆 x1

Playstation Set Up

遊戲台

Weigh Down

用重量固定

Place a few books inside the box to ensure your playstation sticks to the table.

在盒子內放入重物（例如書本）以便固定遊戲台

Punch Open

拆開出口

Punch out the tab on the box to make an exit for Sunny's egg (wooden ball).

將盒子旁邊的洞口拆開，以便 Sunny 的寶寶（木球）滾出

Create Your Coral Reef

製作珊瑚礁

You'll need:

2x wooden squares

木框 x2

2x wooden connectors

木製連接器 x2

4x rubber rings

橡膠環 x4

2x yarn

毛線 x2

2x purple pipe cleaners

紫色毛根 x2

6x green pipe cleaners

綠色毛根 x6

1. Line up the wooden squares and find the wooden connectors to connect them together.
將木框對齊後用木製連接器固定
2. Put on one rubber ring on each side of the connectors. Your anemone maker is now very sturdy!
將橡膠圈套在連接器上。你現在已經做好了非常牢固的海葵製造機！
3. Loop the yarn around the frames, continuing until all the yarn is used.
用毛線纏繞木框，直到纏完所有毛線
4. Insert the purple pipe cleaner behind the wrapped yarn.
將紫色毛根穿入毛線和木框之間
5. Twist and tighten the ends together to create a knot. Use scissors to cut the yarn loops along the top and bottom of the wooden square.
將毛根旋轉後打結。用剪刀剪開上下排毛線。
6. Remove yarn from wooden squares. Now your anemone is complete! Build another one if you want a bigger house for Sunny!
將毛線從木框上拆下，你的海葵就完成了！如果想要給 Sunny 更大的房子，可以再製作一個！

7. Design your own seaweed!

設計專屬海帶！

Tip: use scissors and cut the green pipe cleaners in half. Bend and twist one half and repeat for the other half. Combine both halves by twisting the bottom ends.

小技巧：用剪刀將綠色毛根剪一半。將兩半各自折彎，最後用兩半的尾端纏繞一起結合

8. Plant the seaweed and the anemone in the small holes to create the coral reef home!

把海帶種和海葵種在小洞中組成珊瑚礁房子！

Build Your Rescue Squad

You'll need:

你將需要

4x character foam stickers

角色海綿貼紙 x4

3x colored sand

彩色沙筆 x3

4x barbed cords

鐵端繩 x4

4x foam stoppers

海綿塊 x4

1x Sunny and her egg

Sunny 和她的寶寶 x1

1x flag set

旗子 x1

1. Select a character. Peel off its surface stickers following the directional arrow.

選擇一個角色，順著貼紙上的箭頭將其撕下

2. Pour sand onto the sticky part of the character, or into the box, and stamp the character onto it.

直接將沙子倒在角色貼紙上，或是將沙子倒在盒子中，用有黏性的一面角色貼紙沾取沙子

3. Mix the sand and try out any color! Repeat the above steps for other peelable surfaces!

可以將不同顏色的沙子混合看看！重複以上步驟製作所有角色

4. Take the board out and punch out the tabs at the corners.

將遊戲板取出，戳開角落的破口

5. Insert one end of a barbed cord through a corner tab. Insert the same end of the barbed cord into a character. Insert a foam stopper.

將鐵端繩一端穿過角落的洞，用同一端穿過一個角色貼紙並用海綿塊固定

6. Insert the other end into one of the holes on Sunny's body.

將繩子另一端穿過 Sunny 的身體

7. Follow the above steps to build all the characters. Repeat with all four corners of the tabs and all four holes on Sunny.

重複以上步驟將所有的角色貼紙裝置在四個角落並將每條繩子的另端穿過 Sunny 身上的四個洞中

8. Peel off the backing from the flag. Find the sticky side and place the stick at its midline. Fold the flag over. The flag is ready for your command!

撕下旗子的貼紙，將小木棍放在貼紙的中央並將貼紙對折。現在旗子等著你發出指令了！

You'll need:

你將需要

1x playboard

遊戲板

1x marker

馬克筆

1x flag

旗子

2-4 players

2-4 名玩家

1. Set Up The Goal 制定目標

The goal is to help move Sunny and her egg to the anemone safely with each player pulling on the sting.

目標是透過每名玩家拉繩，將 Sunny 和她的寶寶安全送回家

2. Assign Characters 分配角色

Discuss as a team which character each player will be on every round. Read out loud your superpower and task. Tip: Want the same character? Try to start with the youngest player or roll a dice.

團隊一起討論每位玩家的角色。將分配到的角色超能力和任務讀出來

提示：如果都想要當同一個角色，可以從年紀最小的玩家開始選擇或是擲骰子

3. Communicate Ideas 想法溝通

Decide a Starting Point:

決定起點

Plug the flag in one of the small holes to mark where to start.

將旗子插在起點的洞內

Plan a Rescue Path: 規劃救援路線

Use the marker to draw a path onto the board.

用馬克筆畫出救援路線

Go! Mission Begins: 出發！任務開始！

Don't let the egg fall through the holes. If dropped, make a cheer and try again! Do it loudly and wildly regardless of success or failure!

不能讓寶寶掉入洞內！如果掉了也沒關係，啦啦隊長帶領小隊加油打氣！不管成敗都記得要為自己的隊員加油喔！

4. 收集你的超能力

Write down your name.

Check your character in each round of the game.

Keep collecting and practicing your teamwork superpower!

寫下你的名字

每輪遊戲都勾選你此輪的角色

繼續收集並練習你的團隊合作超能力吧！
